Navigating the Global Economy: Focus on the Top Seven Economies

Professor Richard H.K. Vietor

Session 1 – April 11, 2024

Materials:

1. China: the New “New Normal” (9-716-080)

Please read the case **China: the New “New Normal”** and prepare to discuss the following questions:

1. How has China’s economy performed since 2001?
2. What are the problems that worried Wen Jianbao in 2009 and still worry Xi Jinping today?
3. What is the “New Normal”?
4. What is Xi’s political strategy?
5. What are the challenges for the U.S. president?
